Case Number: 20-00520-F

Subject: A digital copy of the DEA Library Catalogue

This letter responds to your Freedom of Information Act/Privacy Act (FOIA/PA) request dated July 12, 2020, addressed to the Drug Enforcement Administration (DEA), Freedom of Information and Privacy Act Unit, seeking access to information regarding the above subject.

On September 9, 2020, our office provided our final response, originally closing your request stating that the "Justice Management Division of the United States Department of Justice (JMD) provides library services to the Department through the United States Department of Justice (DOJ) Libraries. JMD, rather than DEA, would likely maintain the records you seek. We have forwarded a copy of your request to JMD". After forwarding the request to JMD, although JMD manages DOJ libraries' catalogues it was decided that since DEA manages the collection, JMD would instead provide support and forward a copy of the requested material to the DEA FOIA Unit for disclosure. We apologize for the confusion.

As a result of our inquiry, we were able to identify records in excel spreadsheet format pertaining to the subject of your request to be released in its entirety.

The rules and regulations of the DEA applicable to FOIA/PA requests are contained in the Code of Federal Regulations, Title 28, Part 16, as amended. They are published in the Federal Register available to the public (see <https://www.ecfr.gov/current/title-28/chapter-I/part-16>).

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. *See* 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

You may contact our FOIA Public Liaison at (571) 776-2300 for any further assistance and to discuss any aspect of your request. Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows: Office of Government Information Services, National Archives and Records Administration, Room 2510, 8601 Adelphi Road, College Park, Maryland 20740-6001; e-mail at [ogis@nara.gov](mailto:ogis@nara.gov); telephone at (202) 741-5770; toll free at 1-877-684-6448; or facsimile at (202) 741-5769.

If you are not satisfied with DEA's determination in response to this request, you may administratively appeal by writing to the Director, Office of Information Policy (OIP), United States Department of Justice, 441 G Street, NW, 6th Floor, Washington, D.C. 20530, or you may submit an appeal through OIP's FOIA STAR portal by creating an account following the instructions on OIP's website: <https://www.justice.gov/oip/submit-and-track-request-or-appeal>. Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

If you have any questions regarding this letter, you may contact our Requester Service Center at (571) 776-2300.

Sincerely,

**JOSHUA DELO** Digitally signed by JOSHUA DELO
