Sent via email

This responds to your letter dated May 31, 2024 (assigned the case designation number 2024-640), in which you appealed the response by the Office of Management and Budget (OMB) dated May 31, 2024, to your Freedom of Information Act (FOIA) request dated and received by OMB's FOIA Office on May 30, 2024, and given the case designation number 2024-622.

On appeal, you challenge OMB's decision finding your request is a duplicate of your previous request from August 2020, which was assigned case designation number 2020-494.

Your previous FOIA request, assigned case designation number 2020-494, sought the appointment calendar of former OIRA Administrator Neomi Rao from July 18, 2017 through May 13, 2018. Your May 30, 2024 FOIA request, assigned case designation number 2024-622, seeks the appointment calendar of former OIRA Administrator Neomi Rao from May 2018 to March 2019. With the exception of an overlap for the period of May 1-13, 2018, I agree with you that your two FOIA requests are not entirely duplicative.

Based on the foregoing, I grant your appeal. Because the period of May 1-13, 2018 has been previously produced, this calendar production will begin with May 14, 2018. The 322-page appointment calendar of former OIRA Administrator Neomi Rao from May 14, 2018 to March 31, 2019 is enclosed with redactions made pursuant to Exemptions 5 and 6, 5 U.S.C. §§ 552(b)(5) and (b)(6). Exemption 5 protects interagency or intra-agency pre-decisional and deliberative communications, the disclosure of which would inhibit the frank and candid exchange of views that is necessary for effective government decision making, as well as presidential communications. Exemption 6 protects against disclosure of information that would constitute a clearly unwarranted invasion of personal privacy. We have reviewed the information protected by the cited exemptions under a presumption of openness but have determined that it is reasonably foreseeable that the disclosure of the information would harm an interest protected by the applicable exemptions.

If you consider this to be a denial of your appeal, judicial review of my action on your appeal is available to you in accordance with the provisions of 5 U.S.C. §552(a) (4). Additionally, you may be interested in the mediation services offered by the Office of Government
