B. Public Burden Information

Public burden reporting for this collection of information is estimated to take approximately ten minutes per response, including time for reviewing instructions, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Deputy Director for Administration and Information Management, U.S. Office of Government Ethics, Suite 500, 1201 New York Avenue, NW., Washington DC 20005-3917. Do not file this form with this official; rather, file it with the appropriate office of the executive branch department or agency from which you are seeking access to a financial disclosure report or other covered records.

Pursuant to the Paperwork Reduction Act, as amended, an agency may not conduct or sponsor, and no person is required to respond to, a collection of information unless it displays a currently valid OMB control number (that number, 3209-0002, is displayed here and in the lower right-hand corner of the front page of this OGE Form 201).
