STATE OF ALASKA

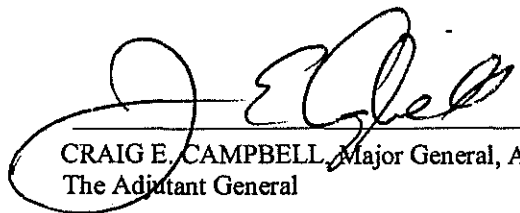

THIS IS TO CERTIFY THAT THE GOVERNOR OF ALASKA HAS AWARDED THE ALASKA GOVERNOR'S DISTINGUISHED UNIT CITATION

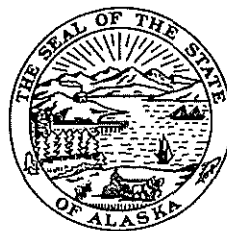

TO 206TH COMBAT COMMUNICATIONS SQUADRON, ELMENDORF AIR FORCE BASE, ALASKA

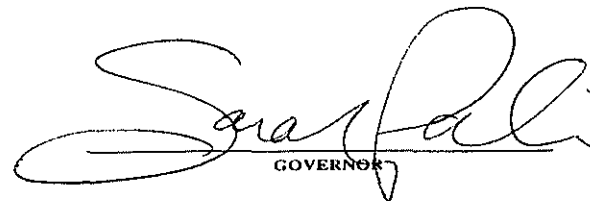

FOR exceptional performance and mission support from 1 July 1996 to 31 March 2008. During this period, the 206th Combat Communications Squadron built a superb legacy as one of the premier deployable communications units in the Pacific theater. The squadron performed admirably in its core mission of providing crucial information technology services to any customer in deployed and austere environments. The unit deployed to the far reaching corners of the globe in support of Joint Chiefs of Staff exercises, including COBRA GOLD in Thailand, KEEN SWORD in Japan, TANDEM THRUST in Guam and ULCHI FOCUS LENS in Korea, earning rave reviews from the exercise directors and the joint, coalition and service partners for superior communications activities. On the home front, the 206th deployed several times within the state of Alaska in support of Exercise NORTHERN EDGE, improving the homeland security and defense posture of the nation, as well as providing excellent communications services to the Alaska National Guard while standing up its Joint Operations Center for the first time and executing the farthest north deployment of the Air Force's newest tri-band satellite communications terminal. In addition, over seventy percent of unit personnel heeded the nation's call in the Global War on Terror and volunteered for multiple deployments to Southwest Asia, where they supported over thirty thousand combat sorties while in harm's way. The distinctive accomplishments of the members of the 206th Combat Communications Squadron reflect great credit upon themselves, the Air National Guard, and the state of Alaska.

GIVEN UNDER MY HAND IN THE CITY OF JUNEAU

THIS 2nd DAY OF March 2008

CRAIG E. CAMPBELL, Major General, AKANG
The Adjutant General
